

Dear OBYG Families,

We are thrilled to be planning for the OBYG summer 2022 season! We loved welcoming everyone back to Windswept last summer and can't wait to see everyone's smiling faces once again. Camp will run from **June 27th through August 19th**. Please go directly to your [parent dashboard](#) to register.

Although summer is still months away, we are busy creating a plan for a safe summer experience that offers all of the OBYG programs you know and love. We also want to remind you of the new programs that launched in 2021! This season we will once again offer an **extended day** for our littlest campers. Parents can sign up their 3 and 4-year-olds for a full day session. They will return at 1 pm with the rest of camp and participate in safe, supervised play in our Nursery Program.

Lastly, we will continue to run our **14s group**, with special activities and privileges which will prepare them for the CIT program the following summer. This additional time as a camper provides a meaningful, exciting, and unique experience!

Please visit OBYG.org or your [parent dashboard](#) to register for camp today. In keeping with past years, we will continue to offer the following:

- We are offering a **5% early bird discount** until **April 1st**.
- We are committed to making the unique OBYG experience available to everyone through our **scholarship program**. Please download an application [here](#).
- It is mandatory to have an up-to-date **Medical Form** on file for each camper prior to beginning camp. Campers will not be able to start camp without their completed medical forms.
- When you register, you can also purchase a **camp t-shirt** to help us remember former director, Ralph Scordino, with his favorite slogan: If you had fun, you won!

We offer rolling enrollment to offer flexibility for changing summer plans, but in order to help us plan and staff properly, we're asking that you please don't wait until the last minute to register. We will be introducing an administrative fee for anyone who registers after 3 pm on the Friday before a new weekly session begins.

Should you have any questions or concerns, please do not hesitate to contact us via email at oceanbeachyouthgroup@yahoo.com. Stay safe, healthy and warm!

Sincerely,

The Directors and OBYG Board of Directors
