Week of July 4, 2024

There will be no camp on Thursday, July 4, 2024. The tuition for that week will be prorated.

Nursery

All campers enrolled in our 3s and 4s program must be potty-trained per the Board of Health.

All three-year-olds must be 3 by March 1, 2024.

Supervised Lunch Hour:

OBYG offers a "lunch bunch" for campers 5+ to be supervised by counselors between 12-1 pm. Campers are to bring a bagged lunch that will be kept refrigerated. Lunch Bunch will be held outdoors under our tent, where we have ample room to eat, rain or shine. Any campers with nut allergies will be seated separately. The cost is \$50/week if paid when registering for camp.

Sibling Discount:

2nd child receives 5% off his or her tuition; 3rd child receives 7% off his or her tuition (Sibling discounts do not apply to the CIT program.)

Prorated savings

Discounts begin at 3 weeks. If you enroll for 4 weeks, we will prorate the 3-week rate. For 6 or 7 weeks, we will prorate the 5-week rate.

We have rolling enrollment to offer flexibility for changing summer plans, but in order to help us plan and staff properly, we ask that you please don't wait until the last minute to register. We will continue to have an **administrative fee for anyone registering after 3 PM on the Friday before a new weekly session begins.**
