Spotlight on...

Dance.Laugh.Learn.
A Music, Drama and
Dance Program

It's showtime, and our OBYG campers are center stage! There's lots of creativity in the air, and we're having a great time at Dance.Laugh.Learn.. Some highlights from the last three weeks include singing & dancing with animal props in the younger groups; playing different versions of choreography race games in the middle groups; and creating scenes and characters from random costume pieces & props in the older groups. In our elective time, we have created masks and are now beginning to work on sets & props.

The most exciting news is that we've started preparing for our musical theater revue, 'Seasons of Love.' Each group, from the 3/4s to the 10s, are learning a musical theater number to be performed in the show. Campers 10 and up have been invited to step into speaking roles that weave the musical numbers together into a story about a group of OBYG campers on a mission to find a song for the summer.

We invite OBYG friends & family to attend the performance of 'Seasons of Love' on July 29th at 7pm in the Community House.
